

SPORT BOAT

YAMAHA BOAT COVERS

Features Yamaha's "Vacu-Hold" design, which creates a vacuum inside the cover during transit to draw the cover down snugly on your boat. Benefits include reduced deck abrasion, reduced air-induced stress on the seams, and less aerodynamic drag. Constructed of ultra-durable "Surlast" fabric for the ultimate protection against fading and the elements. It is also non-abrasive, water-repellent, and provides UV, mildew, and rot resistance. Additional features include a handy convenience zipper for access to the fuel tank cap, and an anti-pooling pole system to reduce the possibility of water pooling on your cover's surface. Blue covers shown for illustration purposes.

1. MOORING/TRAILERING COVER

Fits '10 242 Limited

Grey **MAR-240MC-GY-LT** \$665.95

Fits '10 240 Series

1. BEP MARINE DUAL BATTERY KIT

For peace of mind, this kit is a must-have when adding additional electronics to your boat (stereo upgrades, light bars, etc.). This kit comes complete with a BEP Marine Battery 701S™ Battery Switch, a BEP Marine Voltage Sensitive Relay (VSR), and a GIL Marine Composite Battery Box plus all necessary wiring and hardware. This kit will allow you to keep one battery isolated at all times for reserve purposes. The VSR will allow the engines to charge battery #1 until it is topped off at 13.7 VDC, then automatically switch over to battery #2 to charge it. Turn the knob on the battery switch to select using battery #1 by itself, battery #2 by itself, or both batteries together in parallel. You can also switch off battery current altogether. Professional installation recommended. Marine batteries not included. Fits any single battery boat with room for another Group 24 Battery.

Fits All Sport Boats

SBT-DUALB-AT-08 \$256.95

2. SIRIUS® SATELLITE RECEIVER AND ANTENNA

For Yamaha Boats that come equipped with JBL® Marine stereos that are Sirius Satellite ready. All you need to do is add the receiver module and antenna to receive the Sirius signal. Wired remote, each sold separately.

Fits '06-'09 230 Series, '08-'10 210 Series

MAR-SIRIU-SK-IT \$470.95

3. TRANSOM LIGHTS

Waterproof 35-watt halogen bulb brightly lights up the water behind your boat at night. Special BoroTransSM Technology lens is 0.6-1/2" thick for extra durability, and is mounted in a marine-grade 316L stainless steel housing with Viton® O-ring. Transom light connects to your boat's 12-volt electrical system using the included 6-1/2' electrical cables. Designed to mount 12.5" to 48.5" below the waterline on almost any fiberglass-hull boat. Dealer installation recommended; extra wiring and switches may be required. Sold individually.

Stainless Steel/Halogen.

Fits All Sport Boats

SBT-TRNSM-LT-09 \$399.95

4. HYDRO-TURF STEP MATS

Use these mats almost anywhere to add grip and help prevent slipping. Features 3M® PSA self stick adhesive. Sold as a pair.

Fits All Sport Boats

Charcoal Grey, 4" x 15"

SBT-4X15M-AT-CH \$9.95

5. TOWER MIRROR

Keep an eye on your riders. Attaches easily to any tower with 1-7/8" outside diameter round tubing. The aluminum bracket is machined from rigid T-6 billet aluminum.

Fits All Tower Sport Boats (except 212X)

SBT-TWRMR-00-07 \$358.95

SPORT BOAT

1. BASIC WAKEBOARD RACKS

Value and durability, Yamaha's basic wakeboard racks are constructed of T6061 billet aircraft aluminum and finished with a satin texture. They also feature moulded-rubber inserts, which wrap around the centre fork and are held in place with pins to help protect the boards. The forks use an elastic strap to secure the board. Stainless hardware is used throughout for durability. Fork clamps mount directly to the horizontal bar of the tower. Sold as a set of two forks for one side.

Fits 1-7/8" Round Side Bars

Fits '06~'09 AR230

Silver **SBT-FORKS-OV-08** \$199.95

Fits '08~'10 AR210

Silver **SBT-FORKS-RD-08** \$199.95

2. DELUXE SWIVEL WAKEBOARD RACK

For the ultimate in convenience when installing or removing your wakeboards. With the twist of the contoured rubber-coated knob, the forks will swivel back and into the boat to gain easy access. The swivel action can be locked in three positions: fully closed, 120°, and 180°. The mounting clamp rotates 360°, which allows the forks to be mounted parallel to the horizon, regardless of where they are placed on the tower. The forks, base and clamp are made of T6061 billet aircraft aluminum with a satin texture, and anodized for durability. Stainless steel hardware is used throughout for durability. Each side sold individually.

Fits '06~'09 AR230, '08~'10 AR210

Silver

Port Side **SBT-SWIVL-PT-08** \$593.33

Starboard Side **SBT-SWIVL-ST-08** \$593.33

3. WAKEBOARD RACK

With a unique style, this rack will give your boat that cutting-edge charisma. The clamp holds the weight of two wakeboards through the biggest double-ups without slipping. The 360° clamping system allows for easy installation at any tubing angle. Forks are lined with reinforced rubber inserts to protect boards from scratching. Clamp is adjustable to fit any tower with a 2 1/8"~2 3/8" outside diameter round tubing. Mounting location may vary by boat model. Sold individually.

Fits '09~'10 232 Limited S

Silver/Black **SBT-232SB-RD-RK** \$451.95

4. WAKEBOARD RACK UPGRADE KIT

Upgrade the standard wakeboard racks on your boat to these bright-dipped and anodized billet double fork racks. This kit uses the stock inner and middle plates of the wakeboard racks. Includes mounting plate and forks plus all necessary mounting hardware. Each kit lets you mount two wakeboards; get kits for both sides to carry up to a total of four wakeboards.

Fits '08~'10 212X

Silver

Port Side **SBT-212BR-PT-08** \$251.95

Starboard Side **SBT-212BR-ST-08** \$251.95

5. FRESH WATER BOAT SHOWER KIT

Add the convenience of a personal fresh water shower to your boat. Kit includes a 10-gallon polyethylene tank, shower nozzle with a 6' flexible stainless hose, and a custom enclosed housing with a door that automatically shuts off the pump. Comes complete with everything you need to install in any 230 Series Boat, including all necessary hoses pre-cut to length with all fittings, a custom wire harness for the pump and switch with 4-amp in-line fuse, and detailed instructions. Will also fit many other 18' to 23' boats; extra hoses and wiring may be required. Dealer installation recommended.

Fits '06~'09 230 Series

SBT-SHOWR-KT-08 \$609.95

6. MAGMA MARINE KETTLE 2 GRILL KIT

The Marine Kettle 2 incorporates features that are both useful and user-friendly, including being virtually windproof. Its dependability in a stiff breeze is due to a virtual blow-out proof turbo venturi and valve system. Includes a front-mounted piezo igniter, as well as a patented burner and heat distribution system that reduces flare-ups. Features a full, double-lined, inner safety shells to keep the outside of the grill cooler. A mirror polished, 18-9 marine-grade stainless exterior finish provides superior corrosion resistance. Topping off the Kettle 2 is a polished, stainless "Stay Cool" handle. The hinged lid is balanced so it won't slam shut as the boat rolls. Magma's patented plate and dome system make it the only boat grill that is truly a grill, stove or oven — a great advantage to boats without a galley. The grill features a cast stainless indexing bracket and clamp to provide easier, more positive level mounting. Uses standard, disposable 1-lb. propane canisters or will easily adapt to boats with existing onboard LPG (propane) or CNG (natural gas) systems. The valve system adjusts left, right, inboard or outboard for easy heat control access and fuel-bottle change. Cover, mount, and utensils Included.

Fits All Sport Boats
