

2011 SPORT BOAT PARTS & ACCESSORIES

YAMAHA BOAT COVERS

Your Yamaha Boat is such an important investment, so you want to keep it looking its best. Yamaha's covers are designed to help protect your boat's appearance. Each cover features superior construction and materials to help provide long life, as well as a custom fit. Attractive matching colours and graphics provide a stylish accent.

Vacu-Hold® Vent System

Creates a vacuum inside the cover during transit, drawing it firmly to the boat.

Ultra-durable SurLast® fabric

The ultimate protection against fading and the elements. It is also non-abrasive, water-repellent and provides UV, mildew and rot resistance.

Fuel Cap Access

A handy convenience zipper for access to the fuel tank cap.

Anti-Pooling Pole System

Reduces the possibility of water pooling on your cover's surface.

1. Non Tower Mooring/ Trailing Cover

Fits '07-'11 210 Series

Charcoal Grey MAR-210MC-CH-07

3. Boat Cover Storage Bag

Gives you a place to neatly store your Sport Boat cover while not in use. It is made of the same durable material as the mooring cover and has a drawstring at the top.

Fits all covers.

Black MAR-JETBT-BG-01

4. Bimini Extension

Made of Sunbrella® UV-resistant waterproof material, it is very durable to withstand the elements while protecting you and your family. It attaches to the existing Yamaha Bimini top via two durable zippers to essentially turn two covers into one long cover. Comes with all necessary mounting hardware and mounting instructions.

Fits '07-'11 210 Series, '08-'11 212SS

Black MAR-210BM-XT-BK

Red MAR-210BM-XT-RD

Blue MAR-210BM-XT-BL

5. Bow Cover

Allows you to convert your bow into a large storage area when you don't need it for passengers. Snaps into place, and can easily be stored in the boat when not in use. Constructed of 7/8-inch tubing with a Sunbrella or SurLast cover that is UV-resistant and waterproof. All bow covers come with a storage bag to store the cover when not in use.

Fits '08-'11 212X

6. Bow Tent

Offers spacious protection over the entire bow seating area. It is made from 300 denier SurLast all-weather fabric that is UV-resistant. Has two mesh screen windows that can be zipped closed, and a zipped-up door that reaches all of the way to the floor. The tent support comes from 3 custom folding aluminum poles and comes complete with all mounting hardware necessary to mount it to the boat. When not in use, it folds very compact in its own custom carrying pouch.

Fits '07-'11 210 Series, '08-'11 212SS, '08-'11 212X

Grey MAR-210BT-NT-GY

8. Boat Contour Fender

These contour fenders stay put and stow conveniently under boat seats. They hinge to wrap around the gunwale and hull, following the contours of the boat. Constructed of a durable marine-grade, tri-laminate cover, with closed cell foam inside. There's a tough polycarbonate grommet at each end for hanging from cleats.

24" long x 6" wide x 2-1/2" thick.

(Sold individually)

Black MAR-HHFND-ER-BK
Blue MAR-HHFND-ER-BL

9

14

9. No-Slip™ Fender Straps

No more tying and untying knots! Attach boat fenders to rails and cleats quickly and securely with these fender straps. The NO-SLIP pads sewn to the underside of the straps minimize sliding along rails. Easily adjust the length in seconds from 6" - 40" to fit most boats and docking situations. (Sold in pairs) **MAR-FNDRS-TR-AP**

10. Yamaha Boat Anchor Kit

This kit is designed specifically to fit the anchor storage of your Yamaha Boat. Kit includes a galvanized 10-lb Danforth-style anchor and a 6-foot chain shackled to 100 feet of standard nylon rope that is sinkable for convenient setting.

Fits anchor lockers of all 230 Series, '08-'11 210 Series, 212SS and 212X
SBT-ANCHR-KT-08

11. Telescoping Paddle

Adjusts easily to variable lengths, from 20"-45", with a simple twist. A section of the aluminum shaft disappears inside the blade to allow for ultra-compact storage under boat seats or in WaveRunner storage compartments. The corrosion-resistant aluminum shaft, hassle-free locking device and high-impact moulded blade and boat hook handle ensure years of service.

Blue MAR-DLXPA-DL-42

12

15

12. Steadymate Tansom Trapper III

Designed specifically for larger boats. Features a stainless steel wide handle ratchet and 2" twisted stainless trailer snap hook. Working load limit 3,335 lb/1,530kg. Length range from 22"-144". (Sold in pairs) **ACC-15529-TT-03**

13. Fox 40® Boat Safety Kit

Includes a marine flashlight with batteries, a pealess safety whistle, a 50 ft (15m) water safety rope and float which conveniently fit perfectly into the Bailer capped with a mirrored lid. Innovative design makes the Bailer easy to grab in an emergency. **MAR-SFTYK-IT-YL**

14. Fox 40 Pealess Micro Safety Whistle

Compact, small and flat, this 3-chamber whistle has no pressure points. Attaches to almost anything. Does not contain any metal parts to rust or corrode. Resistant to ultraviolet and saltwater. **MAR-MICRW-HS-LT**

11

16

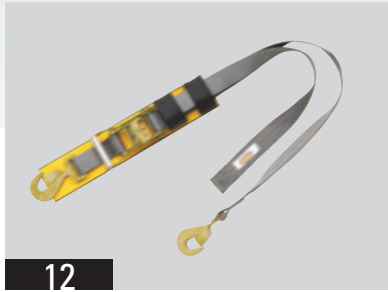

15. Waterproof First Aid Kit

Easily mounts to almost anywhere with self-adhesive hook-and-loop. The heavy-duty nylon bag is specially coated and has a waterproof zip closure to ensure that your first aid supplies stay dry. Kit contents may vary slightly.

Kit contents include: 6 - Fabric Bandages, 1 - Sunscreen packet, 1 - 2" x 3" TEFLA Pad, 1 - Splinter Grabber, 1 - Knuckle Bandage, 1 - 2" x 3" Moleskin, 1 - 3" x 3" Sterile Gauze Pad, 2 - 2-packs Acetaminophen, 3 - Antiseptic Towelettes, 1 - Pair Latex Gloves, 5 - yards Adhesive Tape, 5 - yards Conforming Gauze, 2 - Povidone-Iodine Betadine, 1 - Sting Relief Pad, 2 - 4" x 4" Non-Sterile Gauze, 1 - Triple Antibiotic, 1 - Single-Edge Razor Blade and Instructions. **MAR-FRSTA-ID-KT**

16. Emergency Tow Line

A 15' long tow line with a nylon quick connect at each end. Allows fast, easy hook-ups. Includes a float for extra convenience. For slow-speed emergency towing only. Blue MWV-TOWLI-NE-15

17

17

17. Marine Life Vest and Safety Storage Bag

Storage bag holds and protects all your safety kit components and up to 4 Life Vests. Constructed of heavy-duty PVC nylon with mesh panel for added ventilation, and drainage holes in bottom to allow water to escape easily.

White

16" x 21" x 12" MAR-STORA-GE-BG

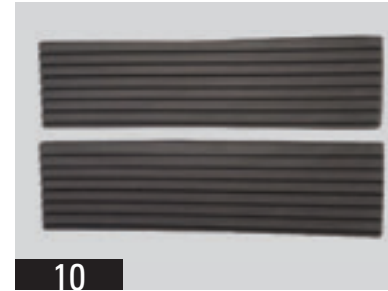

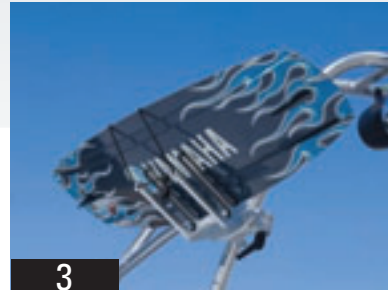

18. Wrap It Up™ Rope Wraps

We've all struggled with organizing extension cords, hoses, and wires. People with boat slips and RVs know the challenges of managing utility cords. Wrap It Up to the rescue! You'll find 100's of uses for these 12.5" long hook and loop wraps. Use them at home, in the garage, on the job, camping, boating and fishing, just about anywhere.

The hook and loop fasteners are sewn to durable 12" x 1.5" webbing and reinforced with a bar tack at each end. A cord is sewn onto Wrap It Up for hanging items from peg hooks. 3 per pack.

2011 SPORT BOAT PARTS & ACCESSORIES

1. Wakeboard Rack

This wakeboard rack has a unique style and is an immediate eye catcher, giving your boat that cutting-edge charisma. The clamp holds the weight of two wakeboards through the biggest double-uws without slipping. Sold individually.

Fits all Tower Sport Boats (except 232 Limited S)
Silver/Black MAR-WKBRD-RK-07

2. Wakeboard Rack Upgrade Kit

Upgrade the standard wakeboard racks on your boat to these bright-dipped and anodized billet double fork racks. This kit uses the stock inner and middle plates of the wakeboard racks. Kit includes mounting plate and forks plus all necessary mounting hardware. Each kit lets you mount two wakeboards; get kits for both sides to carry up to a total of four wakeboards.

Fits '08-'11 212X
Silver
Port Side SBT-212BR-PT-08
Starboard Side SBT-212BR-ST-08

3. Deluxe Swivel Wakeboard Rack

For the ultimate in convenience when installing or removing your wakeboards, you need Yamaha's Deluxe Swivel Wakeboard Rack. With the twist of the contoured rubber-coated knob, the forks will swivel back and

into the boat to gain easy access. The swivel action can be locked in three positions: fully closed, 120° and 180°. The mounting clamp rotates 360°, which allows the forks to be mounted parallel to the horizon, regardless of where they are placed on the tower. The forks, base, and clamp are made of T6061 billet aircraft aluminum with a satin texture, and anodized for durability. Stainless steel hardware is used throughout for durability in the marine environment. Each side sold individually.

Fits '06-'09 AR230, '08-'11 AR210
Silver
Port Side SBT-SWIVL-PT-08
Starboard Side SBT-SWIVL-ST-08

4. Basic Wakeboard Racks

You can't beat the value and durability of Yamaha's basic wakeboard racks. They are constructed of T6061 billet aircraft aluminum and finished with a satin texture. They also feature moulded-rubber inserts, which wrap around the centre fork and are held in place with pins to help protect the boards. The forks use an elastic strap to secure the board. Stainless hardware is used throughout for durability in the marine environment. The fork clamps mount directly to the horizontal bar of the tower. Sold as a set of two-forks for one side. Fits 1-7/8" Round Side Bars.

Fits '08-'11 AR210
Silver SBT-FORKS-RD-08

5. Boat Table

Identical to the table on the AR/SX models and comes with both leg lengths.
Fits '06-'09 230 Series, '07-'11 210 Series
MAR-SR230-TA-BL

6. Kidney Shape Table

Want to upgrade your stock table to a larger, more versatile table? Identical acrylic-capped ABS material as Yamaha's stock table; this one is larger and shaped like a kidney to allow manoeuvrability around it without limiting its size. It also has 3 cup holders (compared to the 2 on the stock table). Designed as a direct replacement, it uses the same hardware as the stock table. Requires transfer of the pedestal base from the stock table and it still fits in the stock storage location of your Yamaha Boat.

SBT-KDNYT-BL-08

7. Tower Mirror

Keep an eye on your riders. Attaches easily to any tower with 1-7/8" outside diameter round tubing. The aluminum bracket is machined from rigid T-6 billet aluminum. Fits all Tower Sport Boats (except 212X) 1-7/8" SBT-TWRMR-00-07

8. Magma Marine Kettle® 2 Grill Kit

The Marine Kettle 2 incorporates features that are both useful and user-friendly, including being virtually windproof. Its dependability in a stiff breeze is due to a virtual blow-out proof turbo venturi and valve system. A front-mounted piezo igniter is included, as well as a patented burner and heat distribution system that reduces flare-ups. The burner also adds years of life to the grill by directing more heat to the cooking surface. These grills have full, double-lined, inner safety shells to keep the outside of the grill cooler. A mirror-polished, 18-9 marine-grade stainless exterior finish provides superior corrosion resistance. Topping off the Kettle 2 is a polished, stainless "Stay Cool" handle. The hinged lid is balanced so it won't slam shut as the boat rolls. Magma's patented plate and dome system make it the only boat grill that is truly a grill, stove or oven — a great advantage to boats without a galley, or if the first mate just wants to cook outdoors. The grills feature a new cast stainless indexing bracket and clamp to provide easier, more positive level mounting. It uses standard, disposable, 1-lb. propane canisters or will easily adapt to boats with existing onboard LPG (propane) or CNG (natural gas) systems. The valve system adjusts left, right, inboard or outboard for easy heat control access and fuel-bottle change. Cover, mount, and utensils Included.

Fits all Sport Boats
Stainless Steel SBT-GRILL-KT-09

9. Swim Step Mat Set

Install a genuine Yamaha mat set to complement your Yamaha boat. All self-stick.

Fits '07-'11 210 Series
Grey MAR-210SM-GY-00

10. Hydro-Turf® Step Mats

Use these mats almost anywhere to add grip and help prevent slipping. Features 3M™ PSA self-stick adhesive. Sold as a pair.

Fits all Sport Boats
Charcoal Grey, 4" x 15" SBT-4X15M-AT-CH

11

15

11. AR Docking Light Bar Kit with Interior LED Lights

Make docking at night safer and easier with this custom light bar kit with a total of 3-55 watt halogen lights for docking. Features 4, ultra bright-blue, LED lights facing down to light the interior at night. Bar is made of 6061 extruded, bright-dipped, brushed and anodized aluminum. Custom clamps are billet 6061, bright-dipped and anodized aluminum. There are a total of 3 separately wired circuits; 2-55 watt lights, 1-55 watt light and 4 LED lights. Custom kit does not include wiring. Deluxe Kit includes wire harness, dual rocker switch, circuit breaker and all necessary connections for a Yamaha boat. Professional installation recommended. Not intended to be running lights. A second battery is always recommended with the addition of electrical accessories. Modification of Boat Cover may be required. Fits '08-'11 212X Series Custom Light Bar SBT-LIGHT-BR-08 Fits '06 AR230, '06-'09 AR230 HO, '07-'11 AR210 Deluxe Light Bar Kit. . . . SBT-DLXL-BR-08

12

16

12. Transom Lights

Waterproof 35-watt halogen bulb brightly lights up the water behind your boat at night. Special BoroTransSM Technology lens is 0.6½ thick for extra durability, and is mounted in a marine-grade 316L stainless steel housing with Viton® O-ring. Transom light connects to your boat's 12-volt electrical system using the included 6½ electrical cables. Designed to mount 12.5" to 48.5" below the waterline on almost any fibreglass-hull boat. Dealer installation recommended; extra wiring and switches may be required. Sold individually. Fits all Sport Boats Stainless Steel/Halogen . SBT-TRNSM-LT-08

13. Bow Docking Light Set

Make docking at night safer and easier with this set of Aqua Signal® polished stainless compact docking lights. The units are fully gasketed between hull and lens. Each unit has a 50-watt halogen bulb with a hard coated lens for long-lasting UV protection. Professional installation recommended. Not intended to be running lights. A second battery is always recommended with the addition of electrical accessories. Sold as a set. SBT-BOWDK-LT-08

13

17

14. Optronics® Cordless Rechargeable Spotlight

Durable ABS housing and non-skid rubber bezel. 12-volt, 100-watt quartz halogen bulb. Dual power: operate with internal battery or 12-volt cord. 110-volt and 12-volt charging cords included. Push-button switch. 2,000,000 Candlepower; 12VDC SBT-QR200-10-09

11. JBL Marine Remote Control w/ Backlight

Weatherproof with sealed tact switches and a silicone-rubber membrane with back-lighting. Mount as a secondary remote on the SR230 swim step or as a replacement. Professional installation recommended.
Fits '06-'09 230 Series, '08-'11 210 Series
For use with MAR-JBLCD-PL-01
MAR-REMOT-JB-00

12. JBL REM45 Marine Remote Control w/ Digital Display

Remote is weatherproof with sealed tact switches and a silicone-rubber membrane with backlighting. The 2-line display matches the radio and displays Sirius® text for artist, song, channel name, and category information. Using the select button, you can adjust bass, treble, fader, and balance. Professional installation recommended. Compatible with most Sirius-ready JBL receivers. Installation size: 4"W x 2-1/4"H x 3/4"D
Fits '06-'09 230 Series, '08-'11 210 Series
SBT-JBLRM-42-07

13. JBL 6-CD Changer

CD-R compatible with a shockproof, full floating mechanism. It has a high-precision, 3-beam-laser pickup with a track-error recovery system. Features angled mounting and hung-mount capability. Mounting bracket supplied. Professional installation recommended. Installation size: 10"W x 3"H x 6-1/2"D. Overall size (with brackets): 12-1/2"W x 3"H x 6-1/2"D.
Fits '06-'09 230 Series, '08-'11 210 Series
SBT-JBLCD-6D-07

14. External MP3/AUX Mini DIN Jack

For Yamaha Boats that come equipped with the JBL Marine Stereo, you can mount this auxiliary input jack to your dash and listen to music from a portable source through your Yamaha Boat's stereo system. It will accept any source of music through a mini DIN plug stereo connection.
Fits '06-'09 230 Series, '08-'11 210 Series
MAR-JBLAU-X1-00

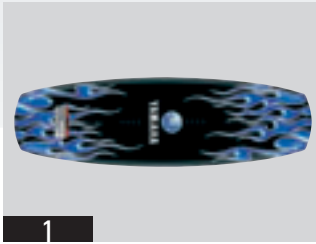

15. Sirius Satellite Receiver and Antenna

For Yamaha Boats that come equipped with JBL Marine stereos that are Sirius Satellite ready. All you need to do is add the receiver module and antenna to receive the Sirius® signal. Wired remote each sold separately.
Fits '06-'09 230 Series, '08-'11 210 Series
MAR-SIRIU-SK-IT

16. BEP Marine® Dual Battery Kit

For peace of mind, this kit is a must-have when adding additional electronics to your boat (stereo upgrades, light bars, etc.). This kit comes complete with a BEP Marine Battery 701S™ Battery Switch, a BEP Marine® Voltage Sensitive Relay (VSR), and a GIL Marine® Composite Battery Box plus all necessary wiring and hardware. This kit will allow you to keep one battery isolated at all times for reserve purposes. The VSR will allow the engines to charge battery #1 until it is topped off at 13.7 VDC, then automatically switch over to battery #2 to charge it. Turn the knob on the battery switch to select using battery #1 by itself, battery #2 by itself, or both batteries together in parallel. You can also switch off battery current altogether. Professional installation recommended. Marine batteries not included. Fits any single battery boat with room for another Group 24 Battery.
Fits all Sport Boats

2011 SPORT BOAT PARTS & ACCESSORIES

1

1. Yamaha Wakeboard

Versatile shape designed to provide a superb ride for a wide variety of riders. This board is 137cm in length and has 2 moulded-in fins on each end to provide additional stability. The bottom of the Yamaha wakeboard uses a continuous rocker to make for consistently smooth transitions into the wake every time. Custom Yamaha graphics for style. Bindings sold separately.

MAR-WAKEB-RD-07

2. AIRHEAD® Adult Rockabilly™ Wakeboard Combo

Designed for intermediate to expert riders weighing 150 lb. and up. The six-fin dual thruster set-up provides ultimate hold and tracking. Riders stay on edge, get more speed into the wake and stomp landings without slipping out. The removable centre fins provide tracking. The side fins are curved and angled outwards at 11 degrees to provide an extra edge hold and a loose feel in neutral. The continuous rocker is fast and forgiving with a smooth pop. GRIND™ bindings are very comfortable and user-friendly, offering the fit and support which allow riders to progress quickly. They are great bindings for the whole family, fitting men's size 8-12 (EU 37-46).

Black/White/Red
55.5" SBT-AHW50-16-09

2

3. AIRHEAD Bonehead™ Boys Wakeboard Combo

This board is perfect for youth riders up to 130 lb. It's a lightweight twin-tip free-ride wakeboard designed to help youth riders of all levels improve their skills. The continuous rocker is fast and forgiving with smooth pop. Performance and durability are packed into this price point board. Two removable fibreglass-reinforced nylon fins provide excellent tracking and carving. GRAB™ is AIRHEAD'S top-of-the-line high-wrap youth wakeboard binding. Beginners through experts will enjoy the one-cinch adjustability that this front-entry lace-up binding provides. GRAB has the comfort and fit that allows youth riders to progress quickly. The POWER STRAP provides additional lower leg support for more power in turns. Bindings fit all wakeboards. Fits kid's size 13 to men's size 8.5 (EU 31-38).

5. AIRHEAD Boot Goo™

It's easy to slide into tight water ski and wakeboard bindings with AIRHEAD BOOT GOO. It saves time and reduces wear and tear to bindings. BOOT GOO dissipates as soon as you hit the water for maximum performance.

SBT-BG100-00-09

6. Pro Wakeboard Rope with Handle

Wakeboard like the pros with Yamaha's coated, zero-stretch, thermal Dyneema® Wakeboard Rope. Features a 15" textured EVA foam grip with aluminum core for superior strength and comfort. Line is made up of five sections including the handle: 5' + 5' + 5' + 50' + 5' for a total 70' length. Includes foam floats and a rope keeper that feature exclusive Yamaha logos.

Blue
70' SBT-PROWK-RP-08

4

7. Wakeboard Tow Rope

Features a head-turning 15", "Squid" – patterned, EVA-wrapped grip with a floating aluminum core. The 5/16", 16-strand, UV-treated, low-stretch PE rope has three sections for wakeboarding: 45, 55 or 65 feet. Full-length finger guards help create a comfortable split finger grip. A Rope Keeper is included for tangle-free storage.

MAR-DLXWK-RP-06

8. Deluxe Wakeboard Bindings

Deluxe adjustable bindings were designed with ease of entry in mind. The unique combination of the heel and toe overlay into one allows for both style and adjustability. The front lace design allows for quick entry/release and accommodates a wider variety of foot sizes. These bindings will not only feel good in the water, but also offer simple function at a more affordable price. Accommodates most foot sizes.

MAR-BINDI-NG-07

9. Garage Ladder Rack™

Eliminate garage, basement, and boathouse clutter while saving valuable floor space. This is a simple, affordable solution for storing water skis, snow skis, wakeboards, snowboards, surfboards, kayaks, garden tools, lumber, and other bulky items for easy access. Hangs quickly and without tools from a wall or ceiling with the steel hooks provided. Durable polypropylene webbing has 8 pairs of rungs outfitted with 14 plastic

side-release buckles. Adjust rung height and buckles as needed to custom fit the items you are storing.

Black SBT-LR100-00-09

10. AIRHEAD Centering Tow Harness

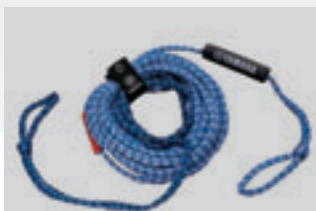

This 3000-pound-tensile-strength tow harness is perfect for pulling skiers and wakeboarders, as well as 1- or 2-rider towables. A stainless steel pulley glides along the length of the rope to provide the optimum pull at all times. Simply clip it onto your boat with the 5000-pound-tensile-strength hooks provided, and attach your ski or tube rope to the heavy-duty Kwik-Connect. The 6.5 float keeps the Kwik-Connect floating.

Yellow
12' SBT-AHTH3-00-09

11. AIRHEAD Kwik-Connect Tow Rope Connector

Conveniently attach and detach tube tow ropes to towables. There's no need to thread 60 feet of rope through the tow strap each time you connect or disconnect a tow rope. The high-impact Kwik-Connect has a 1-inch diameter hole to accept up to 6000-lb break strength tube ropes. Recommended for 1- to 4-rider towables that are not equipped with Kwik-Connects. The 6.5 float keeps the Kwik-Connect floating.

12. Dual Rider Tow Rope

This tube tow rope has two sections, giving you the option to be either 50 or 60 feet behind the boat depending on wake and water conditions. The pre-stretched, UV-resistant, 7/16" diameter, 16-strand rope exceeds the 2,375-lb break strength required by the WSIA for 2-rider tubes. A Rope Keeper is included for convenient storage.

MAR-TUBER-OP-06

13. AIRHEAD High Volume 12V Inflatable Pump

The perfect pump for inflating your towables while out on your boat, or anywhere you don't have access to a 110-volt current. Produces 3 times the pressure of other 12-volt air pumps. Adapters are provided for all popular valves including stem, Boston, Leaffield, Bravo, Halkey Roberts and more. A removable pressure-release valve limits the output to 1.4 psi, the perfect inflation pressure for towables. Hook this powerful pump directly to your car, truck or boat battery with the alligator clips connected to a 10-foot power cord. Volume: 410 litres/min. Draws 28 amps. Note: Do not plug into a cigarette lighter as it draws too many amps.

Yellow
SBT-AHP12-HP-09

14. AIRHEAD Aruba Lounge™

A comfortable pool and lake lounge with a mesh panel between the pillows at each end. Lie down and stay cool suspended in the water by the comfortable mesh panel. Your drink will be close at hand in the moulded drink holder.

Blue
66" x 37" SBT-AHAL1-00-09

15. Fiji Float™ Water Lounge Chair

Stay cool floating in a pool or lake, sitting on the comfortable mesh seat of this chair. Tether it to your boat or tie two or more together using the side-mounted rope anchors.

Blue
48" x 43" SBT-AHFF1-00-09

16. AIRHEAD Cool Island™

The perfect place to chill out or party with friends. You can choose between tanning on the roomy sundeck or cooling with a splash in the mesh area. Includes four drink holders and a sundry holder for storing suntan lotion and other small items and is conveniently located between the wet and dry areas. The boarding platform makes it easy to climb onto even from deep water.

Three handles attached to the side makes it easy for carrying or anchoring. Designed for up to six adults.
White
107" x 88" SBT-AHCI1-00-09

17. AIRHEAD Viper™ Three-Person Cockpit Inflatable Tube

Cockpit-style towable. Bottom is shaped like a boat hull for a great ride. Especially popular with children who can sit comfortably on the inflated floors inside the cockpits. 30-gauge bladders are completely encased in durable double-stitched nylon. No exposed PVC. Striped nylon wrap handles have neoprene knuckle guards for comfort. EVA "Indy Cap" covers the Boston valve.

Red
98" x 74" SBT-AHVIF-30-09

18. Two-Person Towable Deck Inflatable Tube

This 58" (deflated size) round deck tube is one hot ride, built to last and a great value. The rugged, 30-gauge PVC bladder is completely covered by a double-stitched 840-denier nylon cover. Two topside neoprene panels are strategically placed for comfort. It's equipped with four deluxe handles with neoprene knuckle guards, a convenient Kwik-Connect for easy hook-ups and a Boston valve for quick inflating and deflating. Also offers a boarding strap for easy boarding from the water. Designed for 1 or 2 riders up to a total of 340 lb.

STD-DTUBE-58-10

19. Three-Person Towable Deck Inflatable Tube

This high-performance deck tube features fins on the top to help riders stay on the tube and out of the water. The six deluxe nylon-wrapped handles with neoprene knuckle guards provide a sure and comfortable grip. Equipped with a heavy-duty Kwik-Connect™ for easy and secure hook-ups. The tough 30-gauge virgin PVC bladder is fully covered with a 840D double-stitched nylon cover for years of service. A Boston valve provides the ultimate in inflation and deflation convenience. Designed for up to 3-riders to a total of 510 lb.

YAMALUBE®

PERFORMANCE IN A BOTTLE™

Yamalube. The best of the best. Yamalube was engineered to provide the finest quality performance lubricants for Yamaha engines, by the very same team that engineered and created the technology. After all, no one knows your Yamaha quite like Yamaha.

WATERCRAFT PERFORMANCE - FOUR STROKE 10W-40

Designed for high performance WaveRunner and Sport Boat engines. Fortified with detergents, anti-wear and anti-corrosion additives to protect in the harsh marine environment.

WATERCRAFT PERFORMANCE - TWO STROKE 2W

Yamaha's exclusive formula provides maximum lubrication and wear protection and prevents ring sticking, piston burning, spark plug fouling, rust and corrosion.

JASO certified.
Performance guaranteed by
Yamaha Motor Corporation.
Meets API SJ® requirements.

DO YOU YAMALUBE?

Using car oil in your Yamaha may lead to unnecessary engine wear and reduced performance. Trust the oil that is engineered by the same people who built your Yamaha. Yamalube - quality lubricants specifically formulated for your Yamaha.
